great essay

Methods

We report how we determined our sample size, all data exclusions (if any), all manipulations, and all measures in the study.

Participants

Material

Procedure

Data analysis

We used R (Version 3.5.0; R Core Team, 2018) and the R-package *papaja* (Version 0.1.0.9842; Aust & Barth, 2018) for all our analyses.

Results

Histogram of a

From figure 1.
