great essay

### Methods

We report how we determined our sample size, all data exclusions (if any), all manipulations, and all measures in the study.

Participants

Material

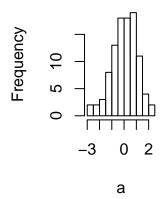

Procedure

Data analysis

We used R (Version 3.5.0; R Core Team, 2018) and the R-package *papaja* (Version 0.1.0.9842; Aust & Barth, 2018) for all our analyses.

## Results

# Histogram of a

From figure 1.

## Discussion
